Empathy

School Vision Statement –
At Yinnar South Primary Learning Community we strive to create a flexible, vibrant and dynamic learning environment that customises individual wholistic development and maximises personal achievement.

Katy’s Chat

Congratulations to our students on achieving second place at the District Sports, something to be very proud of. It was great to see so many parents in attendance and the great community spirit shown by everyone. It was a hot and tiring day and the students were so patient as they waited for their turns. I was sad that I didn’t get to move around this year and see them compete (as I was helping at high jump) but all feedback was positive. Great Effort.

Where did this term go? It seems to have flown. I have loved getting to know all our new students and watching them grow alongside our established group. As the term comes to an end I would like to wish you all a safe and happy holiday.

School Terms 2016
Term 1
28th January - 24th March
Term 2
11th April – 24th June
Term 3
11 July – 16th September

Calendar of Events
May
4th Canberra Camp
Information night
16th-20th Canberra Camp

September
14th-16th Coolamatong Camp
31st October – Pupil Free Day

End of Term 1
Thursday 24th March is the end of Term 1 and we will be finishing at 1.30. We hope everyone has a safe and enjoyable holiday. We are looking forward to a great Term 2 with everyone refreshed from the holiday.
Cooking Roster
Thanks to those parents who have been able to assist for a cooking session it has been really appreciated. If you would like to come and assist there are 2 alternatives. On a Cooking week you assist the students to prepare starting at 11.30. On a Garden week you assist Julie in the preparation of the meal starting at 9.00. Helpers are encouraged to stay and share the meal with us. The roster for you to fill in is on the wall in the foyer.

Sustainability
This week in sustainability we divided into groups each with a different focus. One group looked at biodiversity-animal habitats and made great structures out of bark and twigs. By the end of our session we saw that spiders had already moving in. The next group conducted a biodiversity audit. The grade5/6 students worked on their Frog Bog/ Butterfly Garden proposals. We are experimenting with seeds in the green house to grow as chook fodder.

Cooking
Last week we made awesome pizzas using tomato, zucchini, chargrilled capsicum, garlic, onion, potato, mushrooms, pineapple and a little cheese. The verdict was YUM!

Coral’s Corner
This week our Students were challenged with the PITW Game “Time Ball”
Each person needs to have each ball once whilst passing to each other without moving their feet. Quite a challenge if the distance between them gets too big a throw as the ball is not allowed to touch the ground. A diverse range of skills is being developed as the Students play each game as a team in order to achieve the goal.
Play is the Way Focus
PURSUE YOUR PERSONAL BEST NO MATTER WHO YOU WORK WITH

We don’t come to school to be better than others. We come to school to better ourselves by being able to work with others.

GIPPSLAND POWER FOOTBALL CLUB
Will be holding Under 10, 12 and 14 Fitness and Skill acquisition days at the Gippsland Power Centre Of Excellence Morwell Football Ground, Travers Street, Morwell

You can help change a young life for the better.
And you don’t have to be a superhero or a social worker to do it. You just need to be someone who is willing to care for – and care about – children.
If this sounds like it may be you and you would like more information on becoming a foster carer.
