Royal Flying Doctors Visit

On Wednesday the 30th of November Tom Ryan from the Royal Flying Doctors Education program visited Yinnar South Primary School. Students learned about the development of this service and its founder John Flynn. They were exposed to many stories of how and why the service has been used over the lifetime of Royal Flying Doctors, and were able to interact with equipment in a simulator giving them a real life experience of the planes.

Boolarra & District Drama Class

Brodie Maddie and Auroa were involved with this year’s production with the theme of “Ghost Busters, Ghouls and everything Creepy!!” They had such a great time dressing up and rehearsing for their parts. There will be a new production next year if anyone would like to join in the fun. See Paula for more information.
