

Wow,

What a term it has been! Lockdown has knocked us all around quite a bit and there has been some hard times, but I'm here to spread some positivity and reflect on the great things that happened at TheirCare during Term 3.

We began our journey with Karen who was the temporary coordinator for a few weeks and then half-way through the term I arrived - Courtney. I am studying to be a Primary School Teacher and I am passionate about working with children and creating a fun space for them to learn and grow. As well as teaching I also enjoy caring for animals, nature photography and hanging out with my friends and family.

As you already know this term has been full of ups and downs, but I am determined to focus on the ups and provide your children with a program that allows opportunities for them to feel relaxed, learn, explore and socialize in a warm space.

Some of our favourite activities this term included arts and crafts, basketball, cooking, science experiments, obstacle courses, hide and seek, scavenger hunts and of course making slime! This program is child-centered which means whatever your child enjoys doing I will try my best to make it available for them!

TheirCare will also be running a holiday program at Yinnar Primary School – see information in newsletter or contact TheirCare for more information.

Service only available to children of essential workers during lockdown periods.

Our service offers both Before and After School Care

Our operating hours are:

Before School Care – 7.00am to 8.45am weekdays

After School Care – 3.00pm to 6.00pm weekdays

Kind Regards,

Courtney Robertson
