Where Kids love to be!

Yinnar South Primary School

Week 3, Term 2

This week was a lot of fun! Charly and I took lot's of photos for our very own photo competition! We give each other themes and then the other person has to do their best to take a photo that matches that theme.

We also made a really funny short film about a teddy bear and used an application called Splice to add sound effects, transitions and music.

We also enjoyed a lot of time outside this week playing on the playground.

This week we also had our manager Chelsea visit us and get involved in our arts and crafts activity. It was Abrahams first time meeting Chelsea and they had a lot of fun together. This week we have had some pesky leprechauns come and steal our things!

They stole our paintbrushes but luckily we have some very smart children who were able to test different things such as forks, sponges, strainers and feathers to see if we could use those as our new paintbrushes. All those things were fun to use but nothing worked quite as good as a paintbrush so luckily JUST before Abraham left he found them hidden under the table!
