

**TheiCare**  
for your Kids, for you

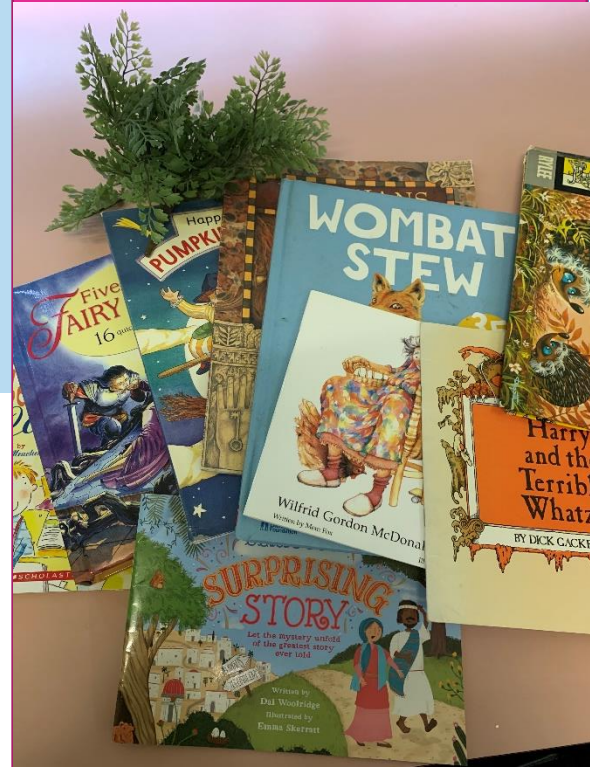

**WEEK 5 & 6**

## Fun with the Elements

The theme this fortnight was *The Elements*. We did heaps of fun activities around the elements – fire, water, air, and earth. From making dioramas, making slime, and making element posters we learnt a lot about the elements of the world and had many discussions about them.

We also did some detective work around the school, Charly found clues in the cubby and then her imagination sprang into action! With finding more clues around the school, we were led to a secret doorway to an imaginary underground city - it was heaps of fun!

In our breaks from our detective duties, we had time to practice our sports skills with ball games and sharpen up our physical fitness with a fast-paced game of tag.

## What's New

We have some new books for children to read this term – from classic Australian books like *Wombat Stew* to some cute and funny books like *The Curly Hedgehog* there should be something for everyone to enjoy.

We have started adding some curtains to the hall – this will help keep kids cool in summer and to keep the glare of the sun out in the afternoons. We are sourcing our curtains and materials from local shops to support our community and teach children the importance of recycling, reusing, and supporting locals. We are also making some of our own curtains.

## Service Information

### Operating hours:

Before School Care – 7am to 9am weekdays

After School Care – 3:15pm to 6pm weekdays

For more information contact Courtney on - 0499 558 090 (call during operating hours) or email [yinnarsouth@theircare.com.au](mailto:yinnarsouth@theircare.com.au)
