

**WEEK 7 & 8**

## Deck the Hall!

The hall has been filled with Christmas decorations over the past two weeks and is looking very ready for Santa's visit! We may have gone a little overboard with three different sized trees, but we just really love Christmas!

As well as preparing for Christmas we have also been busy starting our new sensory business. Charly and I (Maddy and Zabby) have been having fun dressing up and playing shops - selling items like anxiety rocks, slime, clay, and fidget toys. It's been fun acting as different customers and using fake money to purchase items.

In week 8 we also had our first pupil free day program run which was a great success and heaps of fun! We played shops, played with slime, enjoyed the outdoors, and made some of our own Christmas decorations.

## What's New

We have a Christmas tree (well we have three). We had fun setting them up and decorating them and we are even more excited about the presents that will be going underneath throughout the term.

## Service Information

### Operating hours:
