WEEK 3 & 4

Halloween Fun

These past two weeks have been filled with heaps of fun activities. With Halloween recently we did some Halloween cooking and Halloween arts and crafts which was really fun.

We also enjoyed all the good weather this past fortnight and decided to have afternoon tea outside and play some cricket.

Our favourite activities this week included:

- Scrapbooking, ball games, cooking, hide and seek, playing with slime, painting and colouring in.

It has been great seeing students enjoy what they do in school hours and bring their hobbies to after school care. Charly was excited to show me her ukulele and the skills she has been learning.

What's new

This week we have converted the office area into a play area for children which means even more space to play and more activities!

This new area has heaps of table space for painting and arts and crafts. It's also a good space for relaxation and quiet time.
